OAK

The Kilmore Oak range is a stunning collection of furniture offering excellent value for money and offering a superior build quality. The rustic finish creates a stylish yet traditional feel for any dining and living room space within the home. Kilmore, a traditional rustic oak collection designed with solid oak and selected oak veneers and finished with a natural oil finish gives the range a very luxurious feel and look. Rounded edges on the butterfly extension dining tables and all cabinet pieces soften the design of the range and add a touch of class to this collection.

cassino

Extendable dining tables belong to the pinnacle of multifunctional home interiors. If you want to make a statement in the dining room, this is the table to do it. The Cassino is a dining table with a fully-automatic smart extension function, allowing to extend the table or to close it without changing the position. A grey glass table top is complemented by black metal legs. The dining chairs compliment the contemporary look and are made of grey fabric with a black faux leather back.
